

## **Surviving Change**

### **Non-Discrimination Policy**

Our organization Surviving Change embraces the principles of non-discrimination and we strive to ensure that client human rights are respected without discrimination of any kind regarding race, color, sex, gender, language, religion, political or other opinion, national or social origin, property, birth or other status such as disability, age, marital and family status, sexual orientation and gender identity, health status, place of residence, or economic and social situation.”

If you suspect your rights have been violated, please file a grievance with our organization in accordance with our grievance policy and procedure.
